

# Enput Terms of Use and Privacy Policy

---

Company Name: Enput, Inc

Contact Email: support@enputauto.com

Effective Date: November 7, 2025

## Terms of Use

### 1. Introduction

Welcome to Enput. These Terms of Use ("Terms") govern your access to and use of the Enput mobile application ("App"), which is designed for enterprise use within the United States. By downloading, installing, or using Enput, you agree to comply with these Terms.

### 2. Eligibility

Enput is intended for authorized enterprise users only. You must have valid credentials provided by your organization to access the App.

### 3. Account Responsibilities

You are responsible for maintaining the confidentiality of your login credentials and for all activities under your account. Notify your administrator immediately of any unauthorized access.

### 4. Permitted and Prohibited Uses

You agree to use Enput solely for lawful business purposes. You may not:

- Attempt to reverse-engineer, modify, or disrupt the App.
- Use the App for unlawful, harmful, or fraudulent activities.

### 5. Data Usage

Enput requires access to Wi-Fi, camera, microphone, storage, and GPS (last known location only) to provide core functionality. No data is shared with third parties.

### 6. Intellectual Property

All rights, title, and interest in Enput remain with Enput Technologies LLC. Unauthorized

use of trademarks or content is prohibited.

#### 7. Limitation of Liability

Enput is provided “as is” without warranties of any kind. We are not liable for indirect, incidental, or consequential damages.

#### 8. Governing Law

These Terms are governed by the laws of the United States and applicable state laws.

### **Privacy Policy**

#### 1. Introduction

This Privacy Policy explains how Enput collects, uses, and protects your information. Enput complies with Google Play Data Safety requirements.

#### 2. Information We Collect

- Location Data: Last known GPS location.
- Device Access: Camera, microphone, and storage for enterprise features.
- Connectivity: Wi-Fi status for functionality.
- Account Information: Enterprise login credentials.

#### 3. How We Use Your Information

- To provide and maintain core app functionality.
- To ensure secure enterprise access.

#### 4. Data Sharing

We do not share your data with third parties.

#### 5. Data Retention

- Location data is stored temporarily.
- Other data is retained only as necessary for functionality.

#### 6. Security

We use encryption in transit and at rest. Access is restricted to authorized personnel.

#### 7. User Rights

You may request deletion of your account and associated data by contacting

support@enputtech.com.

### Google Play Data Safety Summary

The following table outlines the data collected by Enput, its purpose, sharing status, and retention policy:

Data Type	Purpose	Shared with Third Parties	Retention
Location (last known)	Core functionality	No	Temporary
Camera	Enterprise features	No	While app is in use
Microphone	Enterprise features	No	While app is in use
Storage	Save app-related files	No	While app is in use
Wi-Fi status	Connectivity checks	No	While app is in use

Security: All data is encrypted in transit and at rest.

Monetization: No ads or in-app purchases.

Compliance: Meets Google Play Data Safety requirements.
